Bug report

Bug: With the language set to English, the date selection pop-up in the My Activities filter on the My Registrations/ticket page cannot be changed to English

- Screens: B4
- Steps:

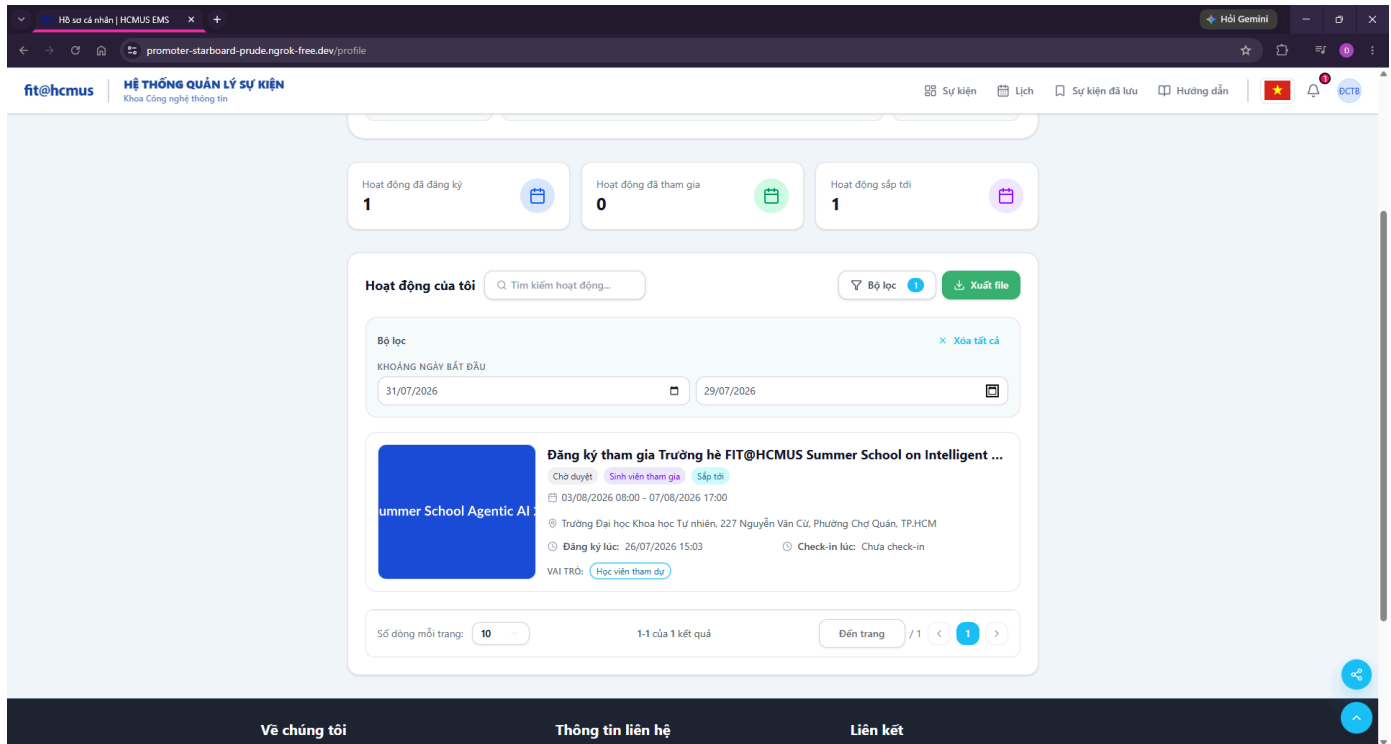

- Set language as English.
- Open a date picker popup in My Activities filter .
- Expected result: Calendars change to English.
- Actual result: Calendars stay as Vietnamese.
- Severity: Low
- Screenshots:

Bug: The filter allows users to select a start date after the event's end date

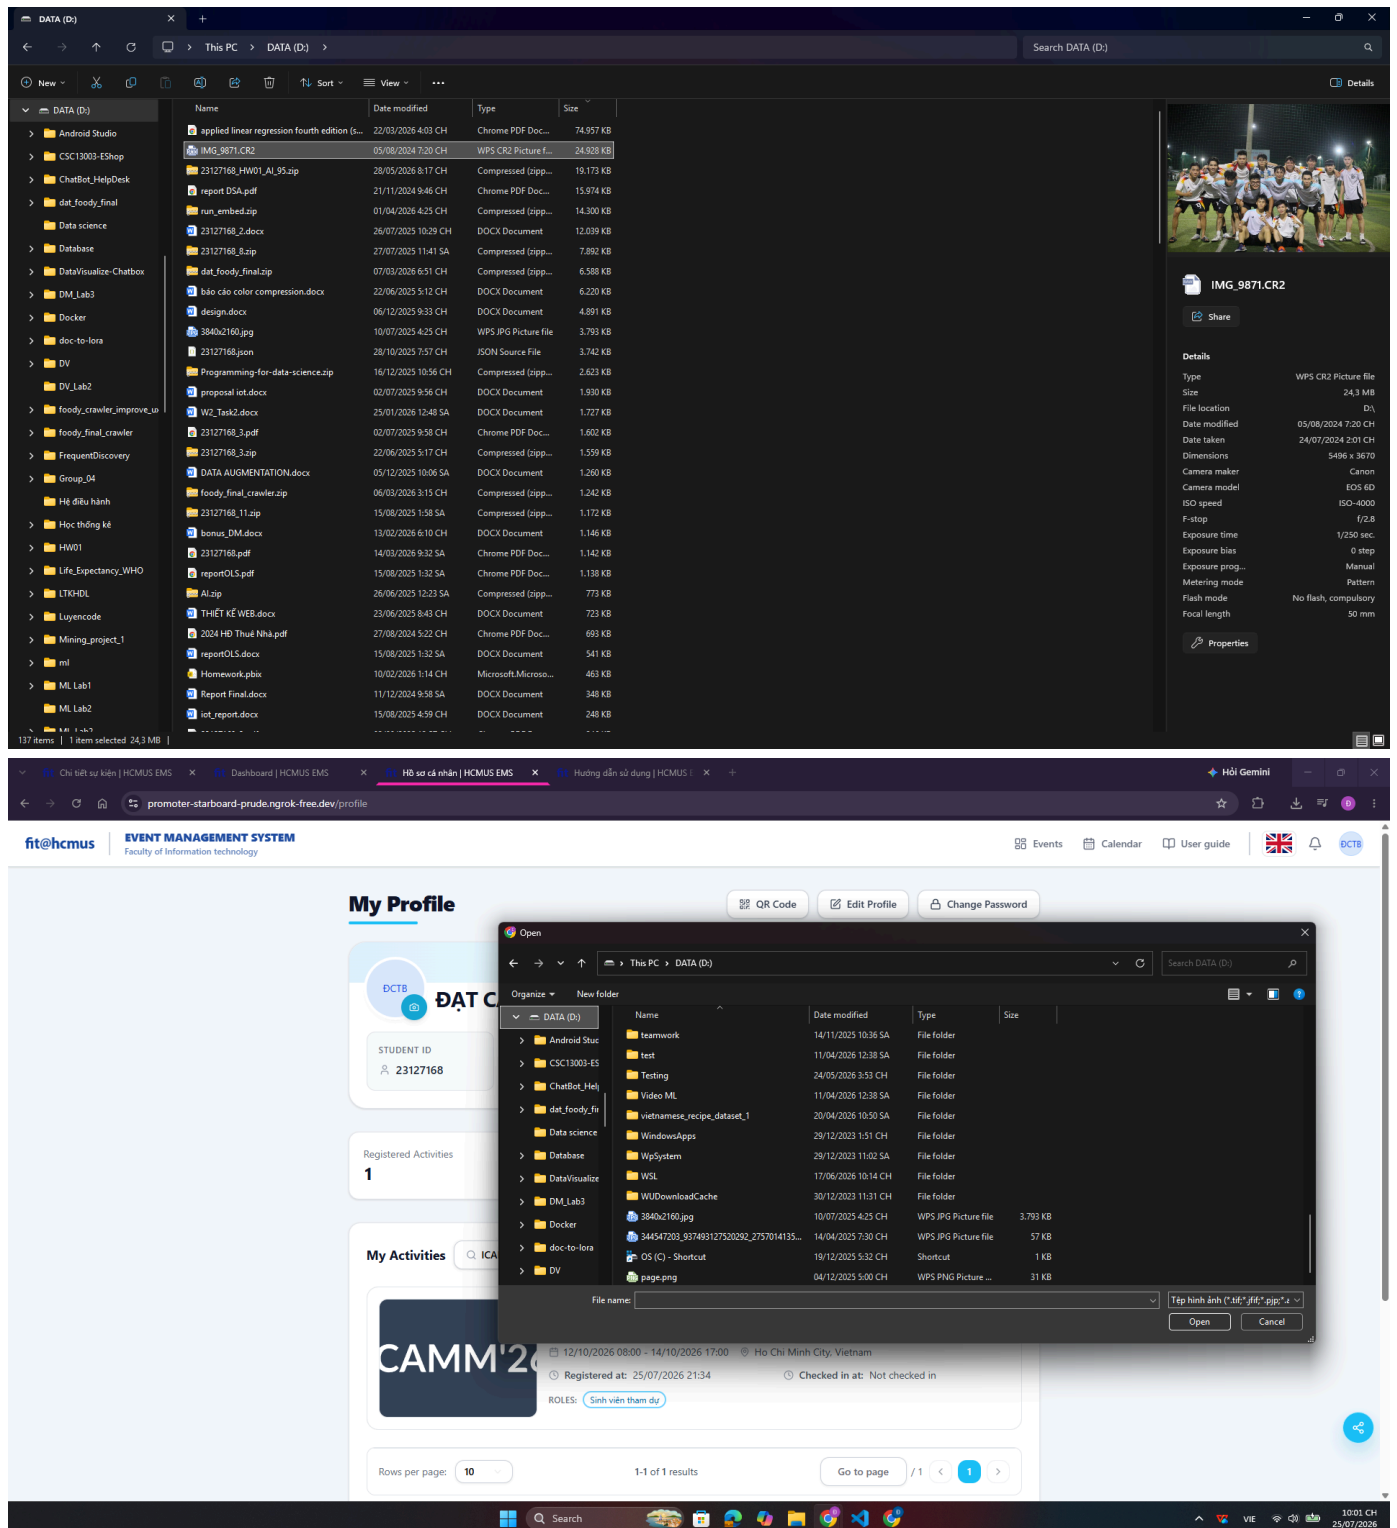

- Screens: B4
- Steps:
 - Open a date picker popup
 - Choose a date change range with a start range later than the end range.
- Expected result: The system does not allow such an option and displays an error message.
- Actual result: System still find results without any warnings
- Severity: Medium

- Screenshots:

Bug: The file format is not specified in the image upload function for account profile pictures.

- Screens: B4
- Steps:
 - Tap the camera icon on your profile picture.
 - Look for images in unusual formats, such as .CR2 (if you have one).
- Expected result: The system should inform the user which format is acceptable, or otherwise accept all formats.
- Actual result: My photo couldn't be found.
- Severity: Medium
- Screenshots:

Bug: Returning to the My Registrations / ticket screen will reset the event filter and the line count per page.

- Screens: B4
- Steps:
 - Go to the My Registration / ticket page and select start date change and line numbers on each page.
 - Switch to another page, for example, the calendar.
 - Press the back button in your browser to return to the My Registration / ticket page.
- Expected result: The filter and the number of lines per page remain the same as before.
- Actual result: The filters and line numbers on each page have been reset.
- Severity: Medium

The screenshot shows the 'HỆ THỐNG QUẢN LÝ SỰ KIỆN' (Event Management System) profile page for a user. The page includes a header with the FIT@HCMUS logo and navigation links. The main content area displays user details: ID 23127168, email 23127168@student.hcmus.edu.vn, and a phone number field marked 'Chưa cập nhật' (Not updated). Below this, three activity statistics are shown: 'Hoạt động đã đăng ký' (1), 'Hoạt động đã tham gia' (0), and 'Hoạt động sắp tới' (1). A section titled 'Hoạt động của tôi' (My Activities) features a search bar and a filter button. A specific activity is listed: 'Đăng ký tham gia Trường hè FIT@HCMUS Summer School on Intelligent ...', with details on dates, location, and registration status. At the bottom, there are pagination controls showing '1-1 của 1 kết quả' (1-1 of 1 result).

Bug: Registration hasn't received a confirmation notification.

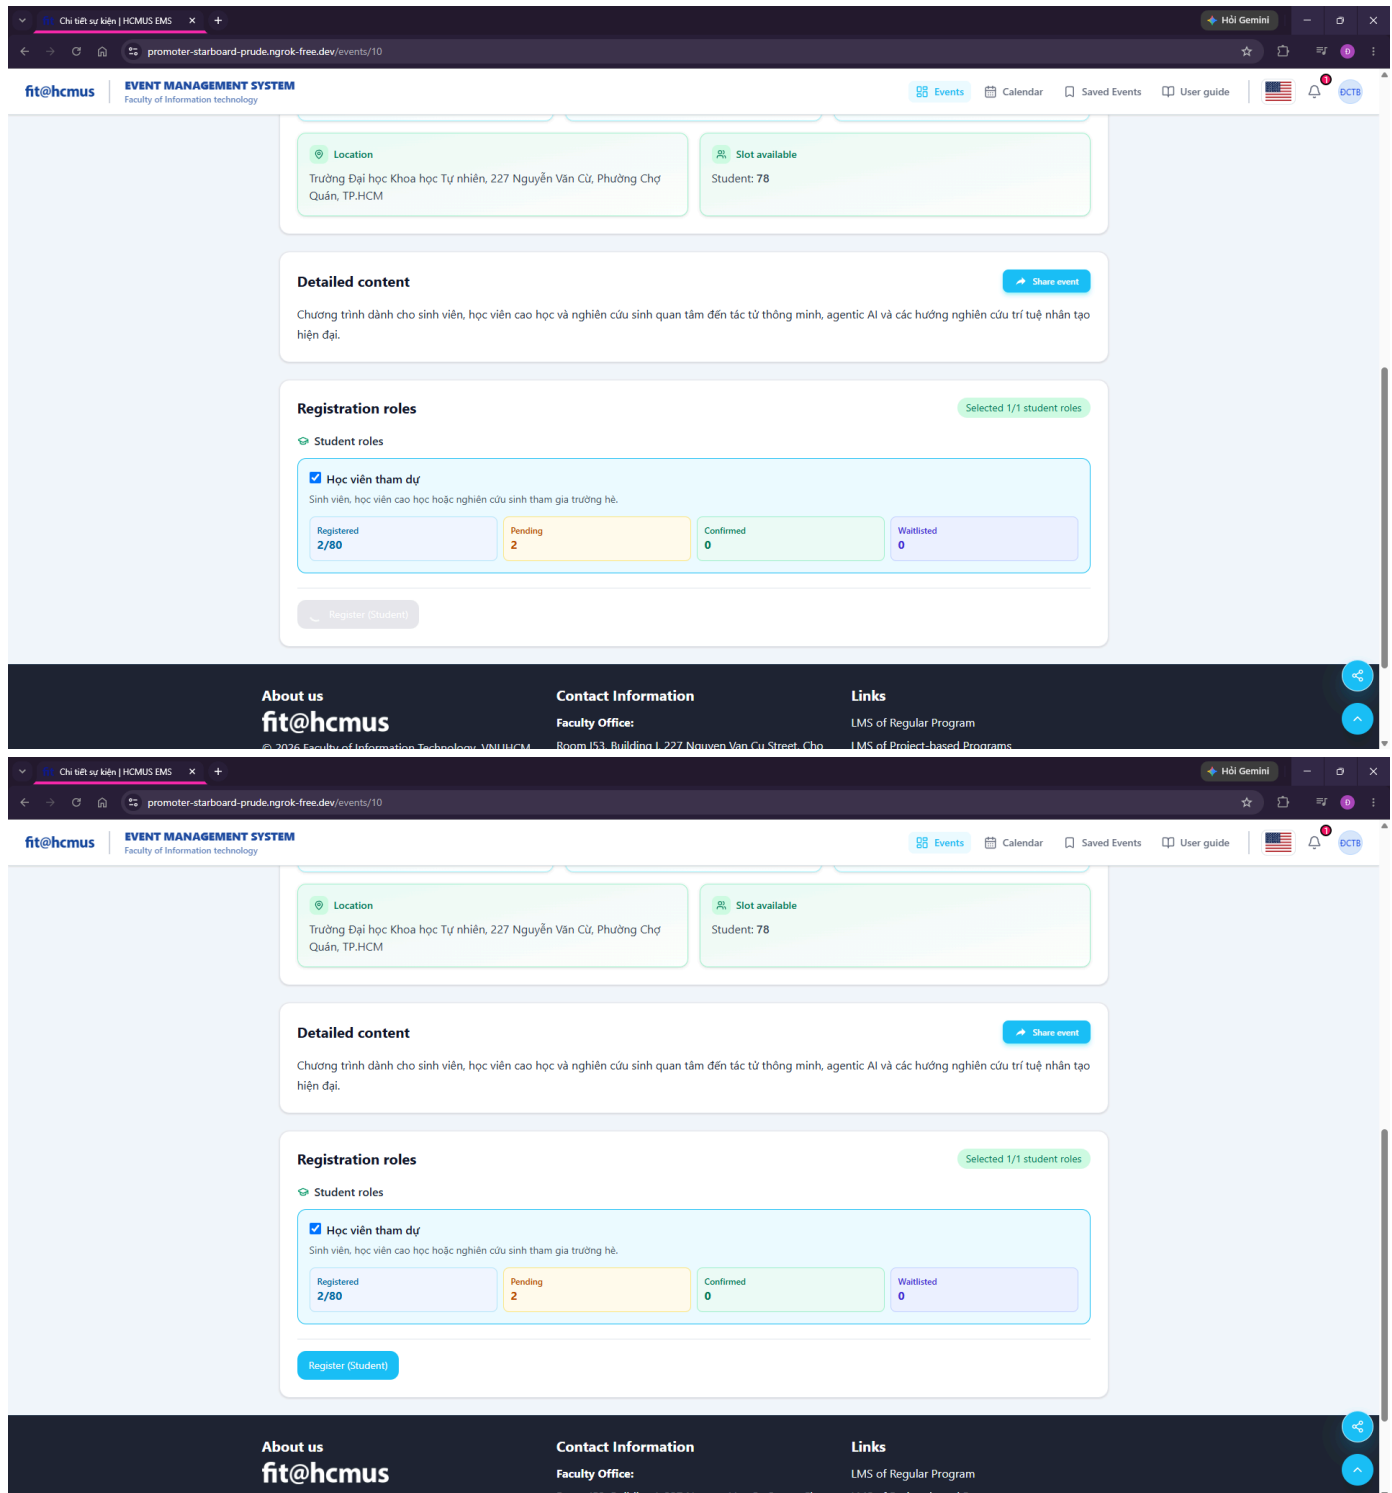

- Screens: B2
- Steps:
 - Go to the Registration form — role selection.
 - Select role and click Register.
- Expected result: The system must learn from the user to confirm the registration.
- Actual result: The registration form has been sent.
- Severity: Medium
- Screenshots:

The screenshot displays the 'EVENT MANAGEMENT SYSTEM' interface. It includes a header with navigation links and a main content area. A section titled 'Registration roles' shows a 'Pending review' status and a 'Selected 1/1 student roles' indicator. Under 'Student roles', there is a list of roles with corresponding counts: 'Sinh viên tham dự' (2/100), 'Pending' (2), 'Confirmed' (0), and 'Waitlisted' (0). A 'Cancel registration' button is visible at the bottom. The footer contains contact information, links to various programs, and a 'Follow Us' section.

Bug: During connection loss, register button shows the spinning circle indicates the submit action. and reverts to "Register" after the request fails, but no error message or toast is displayed to the user.

- Screens: B4
- Steps:

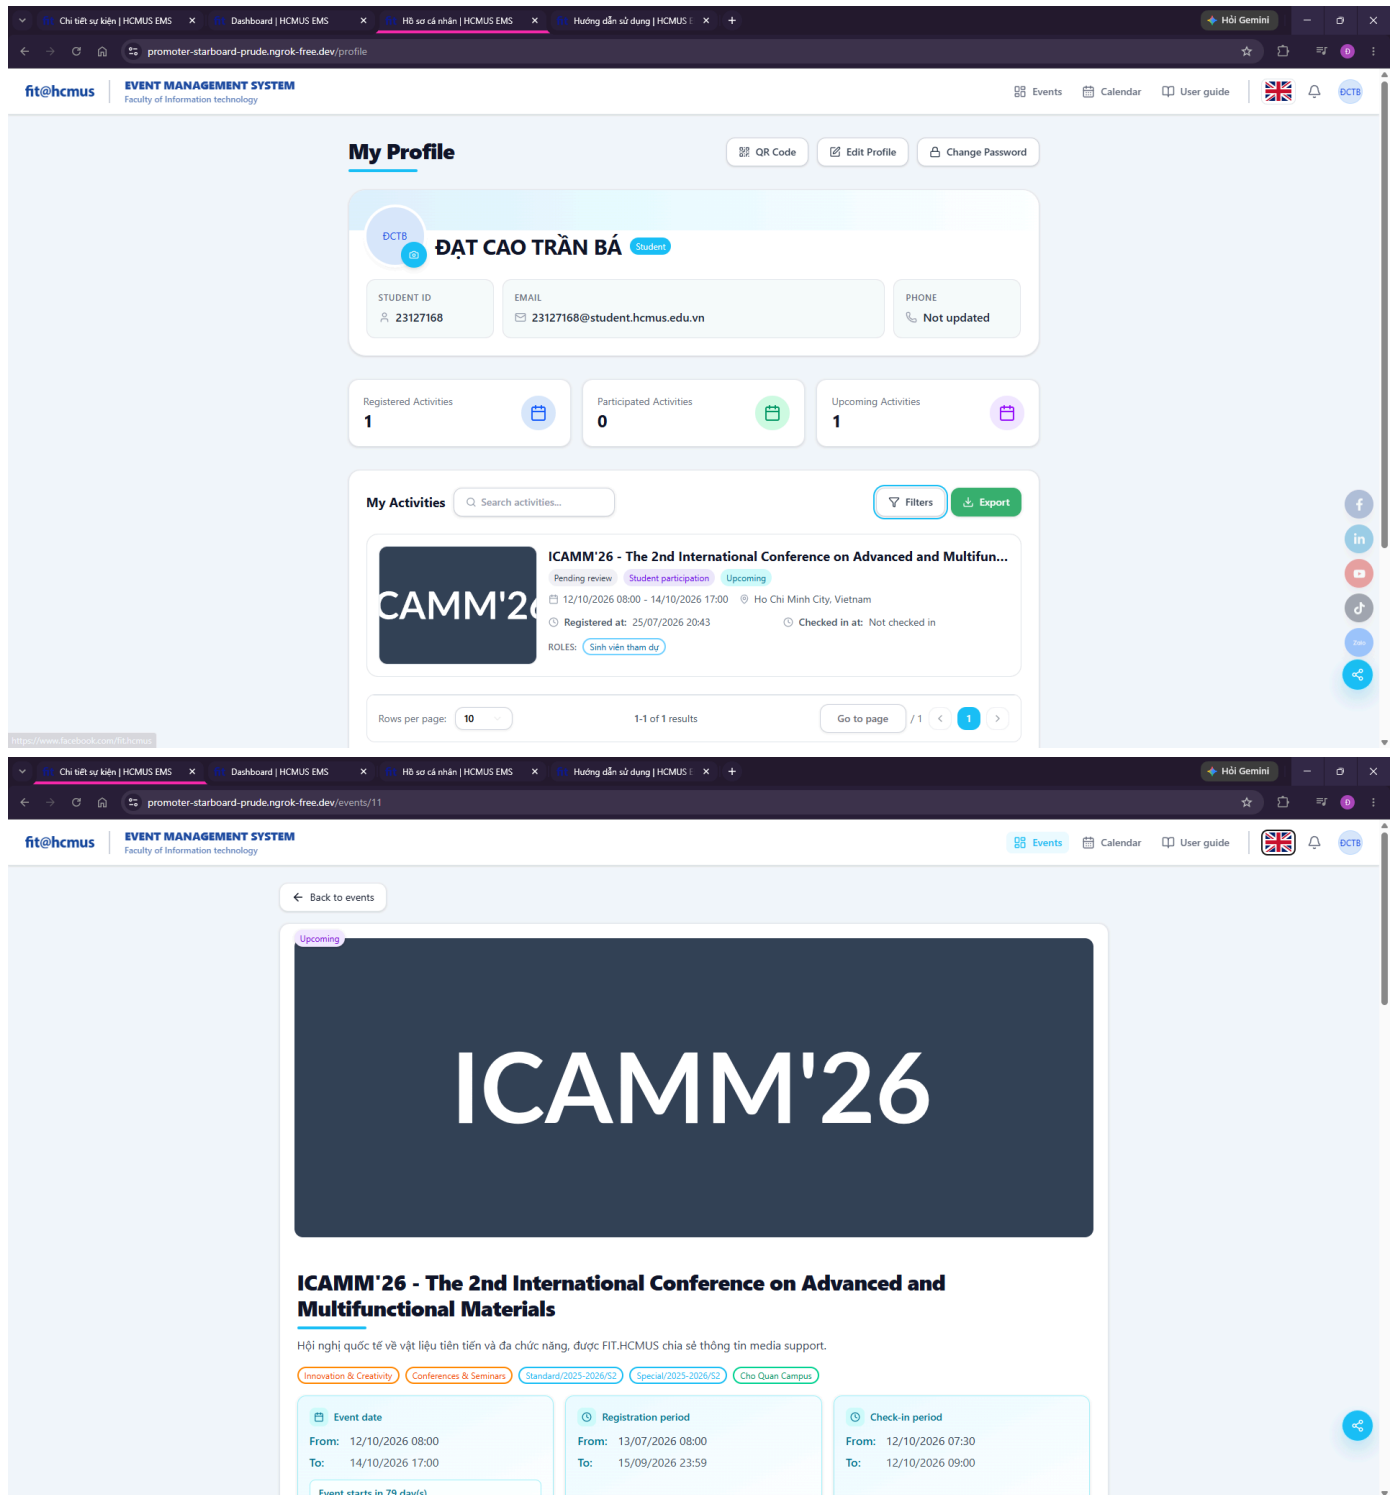

- Open the Registration form.
- Disconnect from the internet.
- Choose a role and press the register button.
- Expected result: An error message or toast states that the register action failed due to connection loss.
- Actual result: register button shows the spinning circle indicates the submit action. and reverts to "Register" after the request fails.
- Severity: Medium
- Screenshots:

Bug: The event status value has inconsistent colors because it is displayed in a different color.

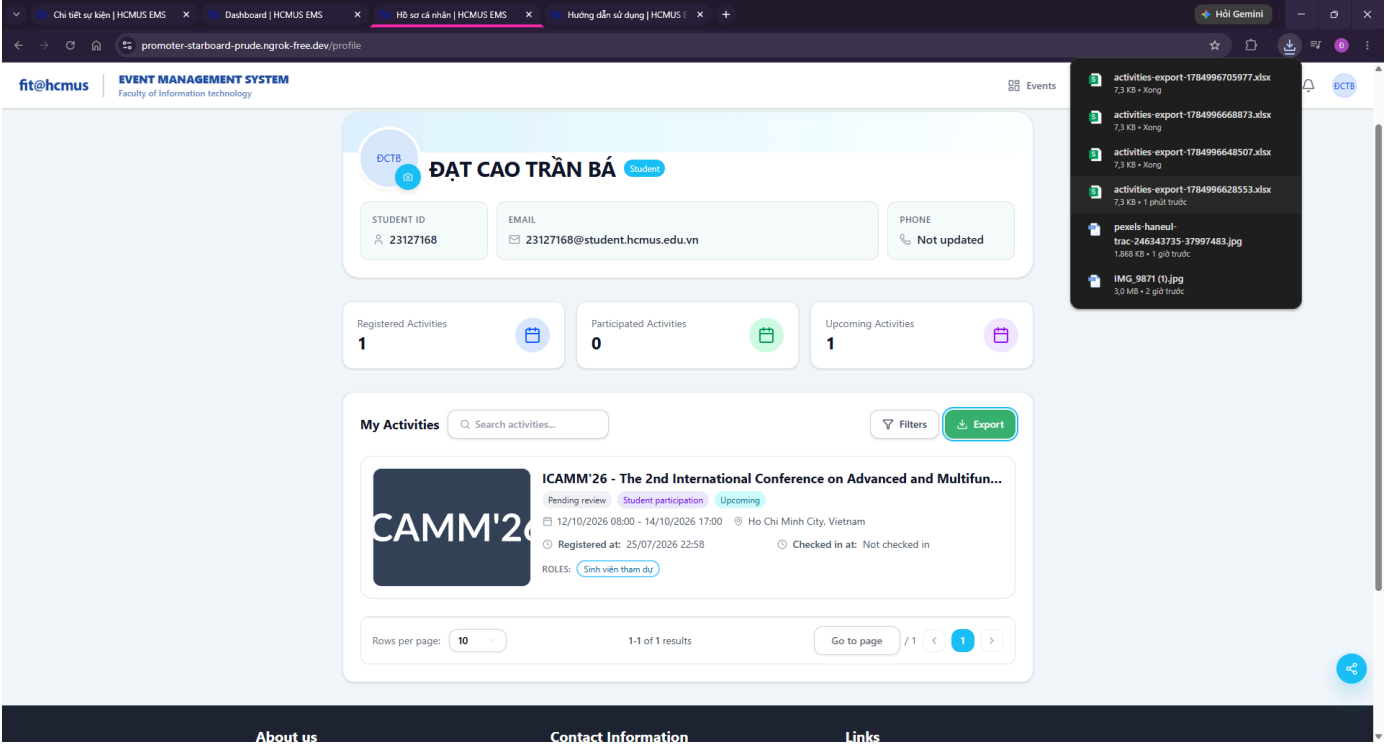

- Screens: B2 & B4
- Steps:
 - Open the Event detail page for an upcoming event. Notice the color of the word "upcoming".
 - Open the My Registrations / ticket and find the event above. Notice the color of the word "upcoming".
- Expected result: The colors of these two letters must be consistent.
- Actual result: The color of this text is different on the two pages.

- Severity: Low
- Screenshots:

Bug: The screen doesn't display any visual indicators showing that the file is being downloaded.

- Screens: B4
- Steps:
 - Open the My Registrations / ticket.
 - Click Export.
- Expected result: The system will provide a visual representation of the download process.
- Actual result: The system switches to another tab, loads the file, and immediately closes the tab it just switched to.
- Severity: Low
- Screenshots:
